Detail of Issue/Request:

A concern was raised about the naming of William Bailey Avenue. This street name has been designated on three separate final plats that were approved by various Boards (Westview in 2007, Countryside in 2001, and Russell Subdivision in 1997). William Bailey Avenue is a north/south collector street that will run from State Highway 52 on the south to the Water's Edge Subdivision near Milavec Lake on the north.

In researching the names on the Russell Subdivision (see attached recorded plat), the consultants at Tetra-Tech (formerly Rocky Mountain Consultants), were helpful in recalling the process to create the plat and provide street names. The streets in the subdivision, with the exception of Industrial Street,

were named for members of the Russell family. The street names include William Bailey Avenue, Russell Drive, Russell Circle, and Grimson Street. As the land around these streets was developed, the original street names were retained.

Legal/Political Considerations:

Not applicable.

Alternatives/Options:

The Board may choose to rename William Bailey Avenue. If they choose to move forward, there are unlimited alternatives to consider in choosing a new name.

Financial Considerations:

Not applicable.

Staff Recommendation:

There is no staff recommendation with this item. It is anticipated that the Board may provide staff with direction.
