To accompany my application for the Parks & Open Space Commission, a bit about me...

My husband, Steve, and I moved to Frederick in 2004 and were the first to build in the new subdivision known as The Farm. We've lived in the Erie/Fort Lupton/Longmont area since 1987 – our daughter graduated from Erie High School in 1993.

I was raised in the military (Air Force) and have lived in Colorado since graduating from high school in 1971. I have not been involved in community government, but have been involved in the community primarily through Girl Scouts and church activities that included boards and committees.

My employment history includes being a teacher's aide when our daughter was young to managing the Consumer Operations for Leanin' Tree in Boulder. My most recent employment positions have been Marketing Assistant for Concepts Direct and Executive Assistant for Wiland Direct. I am currently unemployed (laid off March 2009), but am looking for another administrative position close to home.

My interests include gardening, bird watching, beekeeping and being a new grandmother. I completed the Colorado Master Gardener training in 2009 and maintain my education and volunteer requirements for the Weld County CMG program.

Thank you for considering my application.
