WELD COUNTY BUSINESS RECOVERY PROGRAM

Are you looking for additional funding to help your business recover from the health crisis? The Weld County Business Recovery Program is accepting Round 2 applications through November 15, 2020. Weld County and participating communities provided funding for this local grant program to support businesses demonstrating financial stress or disrupted operations. If you own a business with 1-100+ employees, you are still eligible to receive a grant of up to \$25,000. Businesses are encouraged to submit their eligible expenses related to COVID-19 or have demonstrated lost revenue due to the pandemic. The goal is to assist businesses in reopening or modifying their business plans or facilities to serve customers safely. Apply today at WeldRecovery.com.

MAYOR'S MESSAGE

Mayor Crites encourages you to meet some Town team members in this month's article. "Whew! After the April 2020 election, your Board of Trustees and I have been busy with work sessions, Board of Trustee meetings and most importantly, in-depth discussions with your Town of Frederick staff. As your elected officials, we rely on our talented Town staff's expertise to run daily operations (too many to mention!) and help us see our community resources' full potential. The more I get to know everyone, the more excited I become about our vision to build a safe, inviting and culturally vibrant place to live and work. As we wrap up our work on the 2021 budget this month, I thought it appropriate to spotlight our Finance Department team . . . As your Mayor, it is my role to represent your ideas and dreams. It is great to know we have a talented Finance team who will provide accurate details so that your representatives on the Board can prioritize projects effectively for our community's greater good." - Mayor Crites. Read more about the friendly faces you see at Town Hall and the helpful voices you interact with over the phone at FrederickCO.gov/MayorMessage.

6 RESOURCES FOR SENIORS

Keeping in touch, staying upbeat and getting help can be challenging for seniors under normal circumstances. The Carbon Valley Senior Center has programs to help during this challenging year. Although the facility may be closed due to COVID-19 restrictions, they are getting creative to provide seniors what they need while having fun with some creative get-togethers! Here are six socially distant programs to stay connected and active - the Friendly Fork Senior Nutrition Program (lunch on Tuesdays and Thursdays), Drive-In Bingo, Virtual Workshops, Drive-In Trivia, SilverSneakers® classes and Snow Buddies. Details at FrederickCO.gov/SeniorResources.

HOT SPOT MAPPING

The Carbon Valley Communities That Care Coalition is looking for people to join them in their upcoming Hot Spot Mapping Project. Hot Spot Mapping helps find safe and unsafe spaces for youth in our community using community voices to map those spaces. Spaces could include schools, neighborhoods and other areas in the Carbon Valley. You can help our youth recognize the strengths of our community and areas for improvement. Interested? Drop-in for dinner and discussion on the third Monday of every month! Contact Casey at CPeirce@WeldGov.com or call 970.400.2383 for more information!

DONATIONS NEEDED FOR THANKSGIVING MEALS

Make a difference for a Carbon Valley family in need! We are seeking donations for our annual "Thanksgiving Dinner In A Box"! In 2019, we were able to provide 111 families with a complete meal. Our needs are more significant this year. Let's make sure no one is left behind! Please consider donating the following items: canned yams or sweet potatoes, instant mashed potatoes, salt and pepper shakers, canned cranberry sauce, gravy mix, French fried onions, brown sugar and canned corn. You can drop off these items at Town Hall (401 Locust Street) Monday through Friday between 9 am and 4 pm. Please drop off items by Wednesday, November 18. Check current donation levels at FrederickCO.gov/Thanksgiving.

The Skate Park @ FRA

Park hours are dawn to 10 pm.

This park is unsupervised. Skater and spectators, know your ability and enter at your own risk. The usage of appropriate safety equipment such as helmets, knee pads, elbow pads, wrist pads, gloves and proper shoes is strongly recommended at all times. The Town of Frederick is not responsible for injuries.

The following are prohibited in the park:

- Metal pegs on bikes (plastic pegs are allowed)
- Modifications to any element or area in the skate park
- Mobile ramps or other skating structures of makeshift nature
- Amplified music
- Motorized equipment
- Pets (must be kept off skate surfaces, on a leash and attended)

Be courteous and respectful of others. Take turns. HAVE FUN!

Keep food and drinks off the skating surface.

Art in the skate park is part of the Arts In Public Places program courtesy of the Frederick Arts Commission. Please do not add your art to the park!

No organized events shall be held without permission of the Town.

Use of the skate park is at your own risk - supervision is not provided.

This is your park. Help protect it from damage. The park will be closed if repairs are needed.

SUPPORT A LOCAL CAUSE

Brigit's Bounty Community Resources is hosting a virtual silent auction on November 13-15. Shop for baskets with local favorites and unique items you won't find anywhere else! All proceeds from this event will directly support BBCR's mission to transform lives and strengthen the Carbon Valley community. Event information is at BrigitsBounty.org/silent-auction.
