

AUGUST 2021

CALENDAR PHOTO CONTEST

Hey shutterbugs - we know you have some great pics of our community! It's time to submit your favorite photos of Frederick for this year's Built on What Matters Calendar Contest! The 2022 calendar will showcase local pictures in a full-sized, 12-month calendar sent to Frederick residents and businesses. Photographers can submit their photos by filling out the online application. Be sure to submit your pictures by October 3. We'd love to see photos of town events, art pieces, hidden gems in Frederick, and all seasons represented. The picture at the top of this newsletter, submitted by Laura Miller, is featured in this year's calendar in August. Laura said, "Protected open space is important! I love walking this lake with the people I love and enjoying the beauty."

Some reminders on the rules:

- No cell phone pictures, please!
- All photos must have a resolution of 300 dpi or higher.
- You don't have to live in Frederick, but all photos must be taken in Frederick.
- All photographers will be required to explain why their photograph reflects what matters to them.
- Each photographer can submit up to five photos.
- Photos must be devoid of watermarks, photographer's name/business name, artistic frames, and other added style elements.

For complete rules, details, and to submit your photos, go to Frederickco.gov/CalendarContest.

SCHOLARSHIP WINNERS

Our Town of Frederick annual scholarship winners were announced at the Town Board meeting on July 13. Applicants were required to submit an application, transcripts, one letter of recommendation or community nomination and an essay about how they represent Frederick's slogan - Built on What Matters. Applicants must also meet certain eligibility requirements including maintaining a minimum university/college GPA of 3.0. After an impressive interview process, the Frederick Scholarship Commission chose seniors Avery Aasmundstad attending Colorado State University, Jaylyn Westenbroek attending University of Wyoming, Jordan Westenbroek attending University of Nebraska - Lincoln, Joshua Strong attending University of Denver, Kaitlynn Lohmann, and Lauren Fisk attending Northwestern College, awarding them \$6,000 to continue their education. The future looks bright!

Built On What Matters

DETECTIVE CORNER

The Frederick Police Department has had a substantial increase in auto theft cases and auto-related calls. In 2019 the Frederick Police department took 22 reports for vehicles stolen out of our community. The numbers increased to 39 reports of stolen vehicles and or trailers in 2020. As of July 7, 2021, the FPD has already taken 20 reports of stolen vehicles this year. The statistics tell an alarming story! Learn how you can protect yourself and prevent auto thefts in the latest Detective Corner article at FrederickCO.gov/DetectiveCorner.

NATIONAL NIGHT OUT

Eight Frederick neighborhoods will participate in the 2021 National Night Out (NNO) on Tuesday, August 3, including Countryside, Eagle Valley & Raspberry Hill, Fox Run, Moore Farm, Prairie Greens, Summit View, and The Grove Townhomes. Special thanks to volunteers and dedicated Block Captains who organize and plan their neighborhood's get-together. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. So please stop by and join us in this national event. More information at FrederickCO.gov/CommunityPrograms or call the Frederick Police Department at 720.382.5700.

MAYOR'S MESSAGE

"Our Economic Development team is working with the Adams County Regional Economic Partnership and national site selectors for an in-depth conversation on future Frederick amenities. The consultants will get an up-close look at our economy, infrastructure, industries, and workforce. We are proud to hold high development standards based on our community values: F-Family, R-Respect, E-Empowered, D-Dedication." In her August message, Tracie invites you to add more memories to your summer, update your household, and plan for an August of progress. Stay up to date with the Mayor at FrederickCO.gov/MayorMessage.

ALGAE TREATMENT AT MILAVEC LAKE

On Monday, July 19, the Town found blue-green algae in Milavec Lake. The Public Works Department immediately contacted a company to address our concerns. We are taking the recommendation to prohibit all activities related to water contact: fishing, boating, wading, and animals in or near the water. Taking these precautions is the safest course of action as we apply treatment. Details and updates can be found at FrederickCO.gov/Algae.
