CHAINSaws & CHUCKWAGONS

The Town's annual chainsaw carving competition is in Centennial Park (630 Eighth St.) on July 20 - 23! For our 10th year, world-class carvers from across the US will be in Frederick to carve for four days and vie for the best masterpiece carving. As one of the Town's signature events, the high-octane entertainment value for Chainsaws & Chuckwagons just got bigger. New for 2022, the Axe Women Loggers of Maine will be on-site chopping, sawing, logrolling, and axe throwing. You will not want to miss this lumberjill team performing as world champions on Thursday, Friday, and Saturday! Part of the charm of this event is meeting, watching, and getting to know the carvers. Support these talented artists by checking out their booths with carvings ready for purchase, or grab a bid paddle at the Town tent for the quick carve auctions on Thursday and Saturday nights to bid on a one-of-a-kind carving. A quick carve is your chance to get in on the action where the carvers have one hour to create a work of art that is auctioned off on the spot. If you are looking for something bigger to display in your yard or business, come on down and haggle with a carver to purchase one of the event masterpiece carvings (information and rules are on our website). Chuckwagons (our way of saying food trucks) will be available Thursday, Friday, and Saturday during event hours. Everyone's favorite local vendor market is scheduled for Friday evening. Carvers will finish their masterpiece one-of-a-kind carvings on Saturday at 4 pm, and winners will be announced that evening. You can vote for your favorite carving on Saturday only until 6 pm. Do not miss the action, kid's activities, beer gardens, vendor booths, and hometown fun! Get involved and carve out some time to volunteer during the event by signing up on our website and be sure to check the schedule online to plan your outing!

TOWN FINANCES

We have great news about the Town's long-term Strategic Plan! In 2022, the Finance Department has won two awards bolstering the Plan's focus area of Fiscally Responsive Governance. First, in April, the Government Finance Officers Association (GFOA) awarded the Certificate of Achievement for Excellence in Financial Reporting to the Town of Frederick for its annual comprehensive financial report for the fiscal year ending December 31, 2020. Judged by an impartial panel to meet the program's high standards, the report demonstrates a constructive "spirit of full disclosure" to communicate its financial story. Then in May, the Finance Department was awarded the GFOA Distinguished Budget Presentation Award for the fiscal year beginning January 2022. These awards are the highest form of recognition in governmental accounting and financial reporting, and their attainment represents our Finance Department's significant accomplishments. Go, Team Finance! You exceed expectations to cultivate the FRED vision with your dedication.

DOOR TO DOOR SALES

Are you planning to sell anything door to door in Frederick? People going door to door to sell goods or services must obtain a Solicitor's License. To get a license, solicitors must come into Town Hall (401 Locust St.) and fill out an application with the Town Clerk. Solicitors must keep a copy of their approved license with them, and residents are encouraged to ask to see a copy of the license.
