FREE LANDFILL VOUCHER

Starting in October, get a free voucher for one trip to the Front Range Landfill (1830 Weld County Rd. 5, Erie, CO 80516) to use between October 1 to October 31. Pick up the official voucher at the Town's Administrative Services building (311 Fifth St.) Monday, September 26 through noon on Monday, October 31.

The landfill voucher is good for one (1) load up to one (1) ton. Please note, one load is defined as:

- A single vehicle or truck with items OR a single trailer with items.
- A vehicle/truck with items pulling a trailer with items is considered two loads, and additional charges will apply.
- A maximum one-ton limit applies. Additional items/weight will be subject to fees from the landfill, paid by the resident at the time of disposal.

What items are accepted at the landfill?

Are mattresses or box springs acceptable? Yes!

Learn more about what materials are accepted at: FrontRangeLandfill.com/materials/

Don't forget, our other Fall Clean Up Day Programs include: Senior Item Pickup, Electronic Recycling Program, and Tree Limb Disposal.

Clean Up Days programs are for Frederick residents only with an active utility account, including trash service payments. Be sure to bring your ID and your utility bill as proof of residency. Hours and details vary for each program, so be sure to check out our website!

MAYOR'S MESSAGE

"October is Community Planning Month, and I am darned excited for you to hear some WHOPPER updates coming soon. New opportunities, a more robust business community, and most importantly to you...major focus on current and managed residential growth. It is not easy to plan and maintain a population of 17K and growing. Still, our planning team works tirelessly to put your quality of life first and foremost. I often think of this department when sharing our value of "D-dedication" with our community. They know what Built on What Matters means to you and fight ferociously for your happiness." Hear what else Mayor Crites has to say!

COLORADO & TIPPLE INTERSECTION CLOSURE

Heads up! The Colorado & Tipple Intersection Project will continue to move forward with a full intersection closure around late October. Please prepare for traffic delays, detours, and alternate routes when traveling near the Colorado & Tipple Intersection. Visit our website for information, FAQs, and updates on this construction project.

NEIGHBORHOOD WATCH MEETING

The Frederick Police Department (333 Fifth St.) is hosting a Neighborhood Watch Meeting on Wednesday, October 12 at 6 pm. Hear sector highlights and crime reports about your neighborhood. An active Neighborhood Watch program relies on Block Captains to serve as points of contact for their areas and meet quarterly with the police department to share concerns. Get involved, come to the meeting, learn trends, and help keep your neighborhood safe.

Built On What Matters

NATIONAL COMMUNITY SURVEY RESULTS

In the spring of 2022, we asked for your participation in a community satisfaction survey. All households within the Town of Frederick were eligible and encouraged to participate in the National Community Survey developed by National Research Center (NRC) at Polco. The survey results were presented to the Board of Trustees in May and referred to during the Board’s annual retreat in August to include resident opinions on strategic plan work. Along with detailed results, the survey provided four overall highlights:

- Safety continues to be a community strength for Frederick. About 8 in 10 residents evaluated Frederick’s overall feeling of safety as excellent or good.
- Ratings for health and wellness are on the rise, helping to contribute to a high quality of life in Frederick. Three-quarters of residents rated their overall health as excellent or very good, a 10% improvement from Frederick’s survey in 2018.
- Frederick’s economy has shown improvement over the past few years, but it remains an area of opportunity for the Town. Overall economic health was rated the most important focus area for Frederick in the coming two years, with 90% of residents prioritizing it as essential or very important.
- Residents’ appreciation for local leadership and governance is trending upwards. Residents gave high marks to the quality of services the Town of Frederick provided, with 71% providing excellent or good ratings.

Where do we go from here? Residents are encouraged to sign up with the Polco civic engagement platform to become part of Frederick’s digital sounding board. The Town will continue seeking public input on Frederick’s existing ideas and initiatives to inform policy decisions. Tracking changes over time helps leaders measure progress and make data-driven decisions. Together, we are Built On What Matters. View the full survey results on our website.

TINY TERROR TOWN

Get ready for a frightfully fun evening at our annual Tiny Terror Town! Join us Saturday, October 22, from 4 to 8 pm in Crist Park (105 Fifth St.) for a family-friendly Halloween event including safe trick-or-treating. Participate in our Big Beast Bazaar pet costume contest for great prizes, and take a tour of the world’s tiniest haunted house in our Miners Museum. In addition, market vendors are joining in the park with crafted goodies and tasty treats available for purchase. Have a spooky but safe evening with us!

THANKSGIVING DINNER IN A BOX

Come together for our annual “Thanksgiving Dinner In A Box” community program! The Town, FHS Student Council, Carbon Valley Help Center, Rocky Mountain Christian Church, and the Weld County Food Bank partner to provide dinner to those in need. We aim to donate a complete “Thanksgiving Dinner In A Box” to one hundred families in the Carbon Valley. In 2021, we served 104 families who otherwise might not have a Thanksgiving. How can you help? Nominate a family in need, drop off specific food items from the list, or donate money for pumpkin pies. Visit our website to discover how you can make a difference this holiday season.
